# Business meets Science AI & Robotics Dialogue

INVITATION  
Monday,  
**24.09.2018**  
18.00h -21.00h  
CORDA CAMPUS  
CORDA 1 (BE)

A **Cross Border** Networking Event

## Business meets Science AI & Robotics Dialogue

We are happy to invite you to our event „Business meets Science“ within EarlyTech, a cross-border technology transfer project. This event with the focus on “AI & Robotics” is being organised in cooperation with Agoria and Corda Campus.

An interesting keynote on the future with Artificial Intelligence and Robotics, a panel discussion with experts in the field and networking are the ingredients for the evening.

We hope to engage companies and researchers from the Euregio Maas-Rhine working on topics related to AI & Robotics, and to promote a dialogue across the borders.

**We look forward to welcoming you!**

## Invitation

Business meets Science

We would be pleased to welcome you to our networking event on the 24th of September 2018.

## Venue

**Corda Campus** - Corda 1  
Kempische Steenweg 293  
3500 Hasselt  
Belgium (BE)

## Registration

Please register via [pxl-it.pxl.be](http://pxl-it.pxl.be).

The event will be held in Dutch. The number of participants is limited. By registering for this event, you consent to your details appearing on the list of participants, as well as to the publication of photographs and film footage on which you could be seen.

This is a „HYPEREGIO - EarlyTech“ event of Hogeschool PXL within the Interreg V-A EMR program.

## HYPEREGIO – EarlyTech

Find your Perfect Match!

For many SMEs access to knowledge institutions and the research landscape is not a simple matter of course. The opportunities offered by university and research institutions are often not exhausted by companies.

With our “Business meets Science” events, we want to support SMEs in finding the right euregional R&D partner for their innovation. The HYPEREGIO partners support you in finding your right match. Free of charge, confidential and nonbinding.

Come to our networking events at interesting locations and get inspired by the speakers, use the networking possibilities and make a guided tour through the respective site.

Furthermore SMEs from the Euregio Meuse-Rhine are invited to

- get acquainted with our technology transfer managers connecting you with suitable cross-border knowledge institutions
- grasp your B2S voucher:  
Get a € 3.000 grant to explore an initial cooperation with a knowledge institute to address your specific technology objectives.
